

## Endow a Scholarship

### OSU Student Research Scholarship

Each year Payne County Audubon awards two \$250 scholarships to deserving Oklahoma State University students in the natural sciences. These scholarships have enabled students to conduct research in a variety of worthy areas, including a census of Cerulean Warbler populations in Oklahoma; effects of mesocarnivores on success of ground-nesting birds; natural history of collared lizards; effects of West Nile Virus on populations of urban-dwelling American Crows; a study of Cimarron County's Swainson's, Red-tailed, and Ferruginous hawks.

No.

Full OSU Student Research Scholarship(s) (\$250)

Partial OSU Student Research Scholarship (\$\_\_\_\_\_)

OSU Student Scholarship Total: \$\_\_\_\_\_

### Nature Camp Scholarship

Send a child to Nature Camp this summer! Our campers are the environmental stewards of the future, a sound and far-reaching investment. A full scholarship (\$65) sends a child to Payne County Audubon Nature Camp in June. A partial scholarship helps a family send a child to PCAS Nature Camp.
