

PCAS Birdathon Pledge Form

Please use our online pledge form below to make a pledge to Birdathon 2007. You may support a team member, a team or the Birdathon in general. A pledge may be made for a certain amount per species observed or a fixed amount which is not dependent on how many species are observed. If you are pledging a fixed amount, you are welcome to go ahead and make a payment without waiting for the Birdathon to occur. Please note that you may make a pledge until May 13th, and that pledges need to be collected by May 14 for a team to receive credit.
